PLOVDIV

What Stands Behind the Name

We Offer

Translations from/in Bulgarian done by expert linguists with the help of a high technology software.

Quality guaranteed by the written translations standard БДС EN ISO 17100:2015.

In 2006, we, Nadya Rangelova and Sotir Rangelov founded Oltrans Translation Agency with the mission to bring competent INTERMEDIARY between the customers and their personal and business goals. We are based in Bulgaria and support over 150 language combinations.

We also play an active role in the education and training of young translators and proofreaders, so we are confident that we can keep up with the constantly progressing world of translation.
